

Clifton Park Youth Hockey Families,

As you are fully aware, the COVID health crisis has impacted all of our lives and this includes youth hockey. While we are hoping that CPYHA will reopen in August/September, we are waiting on Governor Cuomo to make an announcement on youth sports. Once the Governor approves youth hockey to fully start, the New York State Amateur Hockey Association (NYSAHA) will provide additional guidance and direction. As soon as this happens, CPYHA will begin our 2020 – 2021 season.

At this time, no team specific activities are allowed in New York State. This includes tryouts. However, CPYHA is offering skill sessions for **CPYHA players who have registered for the 2020-2021 season** in accordance with NYSAHA and CDC guidelines. These sessions will group players based upon age / skill level and we are trying to provide at least two sheets per age per week. This is highly dependent upon ice availability, coach availability, and participation levels so please check our website daily for additional information and updates.

It is important that all players register for the 2020-2021 season as soon as possible to be in compliance with NYSAHA regulations. Due to the uncertainty of this season, we have decided to split the season registration fee into two parts:

1. A reduced the registration fee of \$40 so players can participate in the skill sessions and we can plan for tryouts for the 2020-2021 season.
2. Once we are able to hold tryouts and players are placed on teams, the remaining amount of the season registration fee will be due within 48 hours (see the Registration Tab on CPYHA website for more details)

You can register with CPYHA and for the Skills Sessions by following this link:

http://cliftonparkyouthhockey.com/page.php?page_id=44&rtv=2

If you have already registered for the 2020-2021 season and for tryouts with CPYHA – no further action is required for the season. Just log back in to register for the optional skills sessions.

Each skills session will be limited to the first 25 skills registrations in order to comply with COVID-19 and CDC regulations.

Please note that the season registration fee will be refunded only in the event that CPYHA is not allowed to provide a 2020-2021 hockey season due to NYS Executive Order, a declaration from USA Hockey, or other such action by NYS or a proper governing body. In such an event, all refunds will be made in full minus any service charges incurred by CPYHA.

Skill sessions will be offered for CPYHA registered players for \$10 per session. To aid with ice and coach scheduling, we are offering skill sessions from 8/17-9/6 in three session blocks (\$30 for all three sessions). It is not possible to sign up for multiple skills sessions, or outside of your age division- you would sign up for Group A or Group B below- not both.

The schedule will be reevaluated for September.

We will keep you posted and relay information as we receive it.

CPYHA Board of Directors

Skill Session Schedule

All Skills Sessions are at Clifton Park Arena- Rink 2 (CP2) Times and sessions may change

All participants must be registered with CPYHA for the 2020-2021 season
